Introduction

This document is intended for the owners in the housing development, Westmoorings by-the-Sea which is managed by Westmoorings Gardens Limited. It provides general information regarding our neighbourhood. Also, the legal structure which we operate under.

History

Westmoorings South was mostly swampland. In the 1970's, Westmoorings Limited entered into negotiation with the state to acquire land in Westmoorings South for a housing development, Westmoorings by-the-Sea. Westmoorings Limited, a family-owned company with a history of providing residential homes intended to develop this land with a variety of townhouses, duplexes and single-family homes to meet the growing demand for homes.

On 7th March 1977, the Republic of Trinidad and Tobago and Westmoorings Limited executed a deed of lease, registration number 3784 for 99 years for some 41 acres of land. Westmoorings Limited quickly reclaimed and developed the land that was subdivided into areas for townhouses/duplexes which are called "Courts" and lots for single-family homes. By the late 1980's most of the units were completed and sold. Westmoorings Limited continued to manage the maintenance and upkeep of the area for over a decade.

It was always the intension that the management of the area would be handed over to the homeowners, as such Westmoorings Gardens Limited (WGL) was incorporated on 1st May 1979. With the development fully established, a deed of assignment, registration number DE-2001-0082-8788-D001 was executed on 27th March 2001 whereby Westmoorings Gardens Limited took over the lease from Westmoorings Limited and became the parent company which exists today.

The company is run by a board of directors which consist of volunteers from the lot owners (single-family homes) and all the Service Companies. The Service Companies are the management companies for the "Courts. Similarly their board consists of volunteers from their townhouses/duplex owners. A director from the service company then represents them on Westmoorings Gardens Limited Board.
