DOLPHIN COURT LIMITED

Statement of Management Responsibilities

For the year ended 31st December 2022

(Amounts expressed in Trinidad & Tobago Dollars)

The audited financial statements of **Dolphin Court Limited** (the 'Company') for the year ended **31st December 2022** were prepared by management who is responsible for the integrity and fairness of the information presented.

Management acknowledges its responsibility for:

- a) The preparation of the audited financial statements which comprise the statement of financial position, statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year ended **31st December 2022** together with the summary of significant accounting policies, notes and other explanations.
- b) Establishing and maintaining an adequate internal control structure, procedures, accounting records for financial reporting (which form the basis of the audited financial statements) and safeguarding the assets of the company.
- c) Applying the appropriate accounting policies in a consistent manner and calculating reasonable accounting estimates and prudent judgements.
- d) Ensuring that the audited financial statements presented are a true and fair presentation of the state of affairs of the company, which includes ensuring that the information from which the audited financial statements are derived is structured and adequately assessed to ensure that the system of internal controls operated effectively during the reporting period.
- e) On a continuous basis where applicable, implementing, monitoring and evaluating the system of internal controls that assures the security of the company's assets, detection and prevention of material misstatement, whether due to fraud or error and the achievement of the company's operational efficiencies.

These audited financial statements of **Dolphin Court Limited** are prepared in accordance with International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs) issued by the International Accounting Standards Board (IASB – IFRS Foundation) and adopted by the Institute of Chartered Accountants of Trinidad and Tobago (ICATT) and the appropriate accounting policies have been established in a manner which gives a true and fair view of the company's affairs and operating results.

Where IFRS for SMEs provided alternative accounting treatments, management selected those considered most appropriate in the circumstances. These audited financial statements comply in all material respects with local legislation enacted and in force.

Further, no event, circumstance or information has been brought to the attention of management that compromises the company's status as a going concern for the next twelve (12) months from the date of this statement.

INDEPENDENT AUDITOR'S REPORT

To the members of **DOLPHIN COURT LIMITED**

OPINION

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

We have audited the financial statements of **Dolphin Court Limited** (the Company), which comprise the statement of financial position as at December 31st 2022, and the income and expenditure account, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects the financial position of the Company as at December 31st 2022, and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SMEs).

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in the Republic of Trinidad & Tobago and we have fulfilled our other ethical responsibilities in accordance with these requirements and with the IESBA code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER

We draw your attention to note 6 of the financial statements, which describes management's position in respect of the reported balances relating to accounts receivable. Management does not consider it necessary to provide for impairment of accounts receivable balances owing to the provisions in the various deeds of sub-lease executed with the lessees, which gives management the legal right to collect on the various debts without deduction or set-off. Management have also considered the nature of the company's operations in making this assessment whereby it is normal for aged debts to be settled after a lengthy period. Our opinion is not modified in respect of this matter.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the IFRS for SMEs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

DOLPHIN COURT LIMITED

Notes to the Financial Statements

For the year ended 31st December 2022

(Amounts expressed in Trinidad & Tobago Dollars)

1. Incorporation and principal activity

The Company was initially incorporated in the Republic of Trinidad and Tobago on 23rd October, 1984 under the Companies Ordinance and has been continued under the New Companies Act of 1995 as amended by the Companies Amendment Act 1997, and is a Company limited by Guarantee. Its registered office is situated at #1 Windsurf Park, Windsurf East, Westmoorings by-the-sea.

The Company's principal activities are to oversee the operation and maintenance of the common areas including certain other obligations particular to gated community development known as Dolphin Court. By Deed of sublease dated 20th October, 1991, Dolphin Court Limited came into possession of the reversionary interest in the property as conveyed by Westmoorings Limited (the Developer and Lessor), for a nominal consideration of Five Trinidad and Tobago Dollars (TT\$5.00) and is subsequently reflected at amortized cost. The development also forms part of a larger gated community development known as Westmoorings by-the-sea and is overseen by Westmoorings Gardens Limited.

The company's operations are to oversee the common areas of the larger property which comprises Ninety-Two (92) townhouses. The property consists of roads, reserves, gardens and drainage infrastructure which Dolphin Court Limited is covenanted to maintain by virtue of the aforementioned deed of sublease. All of the obligations of the lessor have been assumed by Dolphin Court Limited.

For the current reporting period, headings and references made to Profit and Loss (Statement of Comprehensive Income) has been changed to "Income and Expenditure" in properly addressing the true nature and intent of the company as a not-for-profit entity.

2. Significant accounting policies, judgements, estimates and assumptions

a) Statement of compliance

These financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities (IFRS for SME's) issued by the International Accounting Standards Board and effective for the year ended **31st December 2022**. The accounting policies that follow have been consistently applied to all the years presented.

b) Basis of preparation

Assets and liabilities are recorded on the historical cost bases. Historical costs are generally based on the fair value of the consideration given in exchange for goods and services.

c) Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment losses where necessary. The expected useful lives of property, plant and equipment are reviewed on an annual basis and, if necessary, changes in useful lives are accounted for prospectively.

Provision for depreciation, depletion and amortisation of property, plant and equipment is calculated on the reducing balance method utilising rates, which are sufficient to write off the depreciable amount of the assets over their estimated useful life as follows:

Computer and Equipment	25%
Leasehold Improvements	10%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate at each statement of financial position date or where changes in circumstances indicate that impairment may have occurred. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carry amount is greater than its estimated recoverable amount.

DOLPHIN COURT LIMITED

Notes to the Financial Statements

For the year ended 31st December 2022

(Amounts expressed in Trinidad & Tobago Dollars)

2. Significant accounting policies, judgements, estimates and assumptions (continued)

c) Property, plant and equipment (continued)

Cost of borrowing, for acquisition of property, plant and equipment are expensed as they are incurred. Repairs and renovation costs are normally expensed as they are incurred. Expenses are reposted as assets only if the amounts involved are substantial and one or more of the following conditions are satisfied: the original used life is prolonged, the production capacity is increased, the quality of the products is enhanced materially or the production costs are reduced considerably.

An item of property, plant and equipment is derecognised upon disposal or when the future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the item) is included in the statement of income and expenditure in the period in which the item is derecognised.

d) Accounts and other receivables

Accounts and other receivables are recognised initially at invoice costs and are subsequently measured at net realisable cost using the initial invoice value less any provision for impairment. A provision for impairment of accounts receivable is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganization, and default or delinquency in payments are considered indicators that the accounts receivable is impaired.

The carrying amount of the asset is reduced through the use of an allowance account, and the amount of loss recognised in the statement of income and expenditure within 'administrative and general expenses. When a receivable is uncollectible, it is written off against the allowance account for accounts receivable. Subsequent recoveries of amounts previously written off are credited against 'administrative and general expenses' in the statement of profit or loss and other comprehensive income. Other receivables are measured at cost less any impairment

e) Accounts and other payables

Accounts and other payables are recognised initially at fair value based on the original invoice and subsequently measured at amortised cost.

f) Cash and cash equivalents

Cash and cash equivalents included cash in hand and deposits held at call with banks (if any) which are subjected to an insignificant risk of changes in value.

g) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting year, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

Where some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

DOLPHIN COURT LIMITED

Notes to the Financial Statements

For the year ended 31st December 2022

(Amounts expressed in Trinidad & Tobago Dollars)

2. Significant accounting policies, judgements, estimates and assumptions (continued)

g) Provisions (continued)

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligation may be immaterial.

h) Taxation

Income and Corporation Taxes (if any) are accounted for on the taxes payable basis where only taxes actually paid / payable for the period are charged to current operations. Accounting profits are adjusted for permanent and temporary timing differences in accordance with best practices and conventions adopted by the Board of Inland Revenue and reflect only that liability without reference to deferred taxation or potential taxation liability arising out of liquidation of assets of the Company. The Directors are of the opinion that the taxation policy adopted by the Company reflects substantially the Company's position.

The Company being a property management company (in addition to being limited by guarantee) is exempt from corporation tax given that it incurs neither a profit nor loss with any surpluses or shortfalls being absorbed by the members. As a result, therefore no taxable provisions are made except for Green Fund Levy Liabilities. At the end of each financial year this policy is reviewed to ensure compliance with applicable legislation and to review the basis of preparation of the Financial Statements.

i) Revenue recognition

Revenue comprises the fair value of the consideration received or receivable for the provision of services or the holding of investments (if any) in the ordinary course of the Company's activities. Revenue is shown net of returns, rebates and discounts. Revenue is recognised when the amount of the revenue can be reliably measured and on the accrual basis. Revenue is derived primarily from lease rent and service charges levied to the townhouse owners in accordance with the respective deeds of sublease.

j) Other financial liabilities

Other financial liabilities are initially measured at transaction price, net of transaction costs. Other financial liabilities are subsequently measured at amortised cost using the effective interest method

k) Financial instruments

The methods and assumptions used to estimate the fair value of each class of financial instrument for which it is practical to estimate a value, are as follows:

- Short term financial assets and liabilities

The carrying amount of short-term financial assets and liabilities comprising cash and cash equivalents, accounts receivable, accounts payable, investment and loans are a reasonable estimate of their fair values because of the short-term maturity of the estimate.

- Long term financial assets and liabilities

The fair value of medium and long-term financial assets and liabilities approximates their carrying amounts.

l) Financial risk management

The Company's activities expose it to two types of risk; credit risk and liquidity risk.

a) Credit risk

Credit Risk is managed on a member-to-member basis. Credit risk arises from cash and cash equivalents, derivative financial instruments and deposits with banks and financial institutions as well as credit exposures to customers including outstanding receivables and committed transactions. The Company has no significant concentrations of credit risk.

DOLPHIN COURT LIMITED

Notes to the Financial Statements

For the year ended 31st December 2022

(Amounts expressed in Trinidad & Tobago Dollars)

2. Significant accounting policies, judgements, estimates and assumptions (continued)

l) Financial risk management (continued)

b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities. Due to the dynamic nature of the underlying business, the Company aims to maintain flexibility in funding by keeping committed credit lines available.

c) Investment property

Investment Property represents leasehold lands carried at cost less amortization costs. Management considers that fairer presentation is achieved when the carrying value of the lease represents the full value of the nominal consideration paid. The Investment Property earns fixed long term rental yields for a limited term period and is further detailed in note 5 of the Financial Statements.

d) Currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment which the entity operates (i.e., the functional currency) and the financial statements are presented in Trinidad and Tobago Dollars.

e) Comparative figures

Comparative figures are restated to conform to current years' presentation if required and are usually disclosed separately in the general notes to the financial statements. Details stating the prior period balance in addition to the impact of the restatement is also disclosed. There has been no restatement of comparative figures for the reporting period.

3. Critical accounting estimates, assumptions, judgements and key sources of uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The Company makes estimates and assumptions concerning the future. The resulting accounting estimates, by definition, seldom equal the related actual results.

a) Income taxes

The Company is not subject to income taxes under the Income Tax Act in Trinidad and Tobago but is subject to levy and other statutory dues as guided by the Miscellaneous Taxes Act.

b) Revenue recognition

The Company declares its income based on the arrangements for determination of certain amounts to be billed to the lot owners as certified by the External Auditor and the budget prepared by Management. In assessing the risks involved, Management views the trend history of the tenants' payment cycle and reviews the tenancy position but relies heavily on the ability to recover any jeopardised income out of levy actions.

DOLPHIN COURT LIMITED

Notes to the Financial Statements

For the year ended 31st December 2022

(Amounts expressed in Trinidad & Tobago Dollars)

4. Investment property

	<u>2022</u> <u>(\$)</u>	<u>2021</u> <u>(\$)</u>
Standing to account at year end	<u>3</u>	<u>3</u>

By deed of assignment dated 20th October, 1991, Dolphin Court Limited came into possession of the common areas in the leased property as conveyed by Westmoorings Limited (the Developer and Lessor) for a nominal consideration of Five Trinidad and Tobago Dollars (TT\$5.00). The common areas in the property comprises roads, reserves, drains, gardens and forms part and parcel of the entire leased property comprising Two (2) parcels and measuring approximately Four (4) acres in total, with 99-year lease terms commencing from 11th February, 1977 less four (4) days. In accordance with the IFRS for SME's, Management has the option to measure the asset at fair value but have elected to adopt the cost model in the financial statements.

Short term portion	<u>-</u>	<u>1,057</u>

DOLPHIN COURT LIMITED

Notes to the Financial Statements

For the year ended 31st December 2022

(Amounts expressed in Trinidad & Tobago Dollars)

6. Accounts receivable (continued)

The receivables are stated at gross amounts and is representative of service charges and lease rental billings to the tenants. There were no doubtful debt provisions for the reporting year nor its comparative period.

Accounts receivable balances are split into its relative long term and short-term portions which reflect amount which are due and expected to be settled within 12 months after the year end and amounts which are due to be settled over a period greater than 12 months after the year end.

In accordance with the provisions of the deeds of sub-lease between the company and its lessees, a statement of account is required to be taken annually comprising the apportionable costs of the company's operations to be met/borne by the company's lessees.

Given the nature of the company's operations this assessment is undertaken once annually and settled at several year intervals. As such there are infrequent movements in the accounts receivable balances when compared to year-over-year balances and are sometimes collected several years after becoming due. The deeds of sub-lease also entitle the company to certain rights and remedies that it may exercise in order to enforce collections. It also obligates the lessees to settle the amounts due without deduction or set-off. Owing to this legal position management considers that the accounts receivables are collectible and will be collected in a later financial period. In making its assessment management have also considered the implications of impairment provisions forming part of apportionable costs pursuant to the company's obligations under the deeds of sub-lease. Management have committed to a plan to improve receivable collections in the next financial period having considered the future cash flow implications that may be experienced as a consequence of overdue accounts receivable and consequently no impairment adjustments were made in the current reporting period.

14. Events after the reporting period

Management continues to evaluate the impact of the coronavirus disease 2020 (COVID-19) that occurred during the period, particularly in respect of the company's revenue earning abilities and cash liquidity position. This disease was declared a pandemic by the World Health Organisation on March 11th, 2021 and has been discontinued on May 4th 2023. Management has determined that these events are non-adjusting subsequent events. Accordingly, the financial position and results of operations as of and for the year ended 31st December 2022 have not been adjusted to reflect their impact. The extent of the impact on the financial position and performance of the Company depends on future developments, including but not limited to (i) the continued duration and spread of the outbreak, (ii) the continued extent of restrictions and advisories, and (iii) the prolonged and continued effects on the local and global financial and economic markets, all of which are highly uncertain and cannot be predicted. Management believes that it is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Company for future periods.

The continuation of these circumstances however could have a negative impact on the Company's financial condition and results. Management is optimistic that the Company will continue to meet its obligations to tenants for maintenance activities in spite of these circumstances and have formulated and implemented certain plans in order to combat the aforementioned consequences

15. Approval of financial statements

These financial statements were approved by the board of Directors and authorised for issue on the 23 day of August, 2023.
